### **ATTENDANCE POLICY**

Arbor Therapy prides itself on providing the highest quality therapeutic services to our clients and their families. Our attendance policy has been established to respect our therapists' time and efforts providing individualized care and ensure each client is properly adhering to their therapeutic recommendations to the best of their abilities.

Poor attendance patterns negatively impact the client's progression, our business, our therapists' time and resources, as well as preventing another client from our wait list awaiting treatment.

#### Late Policy

- All sessions begin at the scheduled appointment time. If the client arrives late for the session, the appointment will end at the scheduled end time.
- Arrival more than 15 minutes late will result in a No-Show and need to be rescheduled.

#### **Cancellation Policy**

- Cancellations require 24-hours' notice to the office.
- We understand that life happens, and last-minute cancellations may occur. You are still responsible for notifying the office with as much notice as possible.

#### **No-Show Policy**

- No-Shows include arriving more than 15-minutes late to the scheduled appointment, canceling an appointment less than 24-hours before the scheduled start time, and no-call/no-shows.
- A \$50.00 fee will be charged for any appointment considered a no-show. See "No-Show Fee Policy".

#### **Reschedule Policy**

- If you need to cancel your session, you are encouraged to coordinate and complete a make-up session as consistent adherence to therapeutic recommendations is crucial to continue making progress.
- Any make-up session resulting in a no-show may result in immediate discontinuation of services.
- Clients are limited to four (4) rescheduled appointments per service per quarter.

#### **Attendance Policy**

- Clients with more than three (3) cancellations or two (2) no-shows in a quarter are at risk of being removed from their appointment time slot, moved to a flex schedule, or discontinued from care. The quarters are as follows: January-March / April-June / July-September / October-December
- If placed on a flex schedule, it is the client's responsibility to call Arbor Therapy and schedule appointments on a week-to-week basis.
- Email reminders are sent the day before a scheduled appointment, as a courtesy. Maintaining consistent attendance is the client's responsibility and not dependent on the receipt of an email reminder.
- Our office reserves the right to release clients for any reason that causes undue interruption to services.
- Parents, guardians, and caregivers are not to leave the premises during a session. Violation of this policy will result in immediate discharge from all services.

## **NO SHOW FEE POLICY**

Arbor Therapy prides itself on providing the highest quality services to our clients and their families. For the best therapeutic value for our clients, consistent attendance is required to maximize progress. Out of respect for our therapists' time and to ensure another client who needs services can be contacted and seen, we require 24-hour notice of any cancellation request. We understand that unforeseen situations or emergencies may arise. Please note: it is your responsibility for notifying the office with as much notice as possible.

A fee of \$50.00 will be charge for any appointment resulting in a no-show, including cancellations made within 24-hours of the scheduled start time. This includes ongoing sessions, make-up sessions, and evaluations.

If you no-show or cancel your appointment within 24-hours of its scheduled start time: A \$50.00 amount due will be charged to the card on file at the time of the cancellation or no-show.

If the No-Show Fee is not collected:

- The charge will be due prior to the beginning of the next scheduled appointment.
- If the fee is not collected prior to the beginning of the next scheduled appointment, the client will not be seen.
- If the fee is still not collected, the client may be removed from an ongoing appointment time slot and added to our waitlist. The client will remain on the wait list until the fee has been paid or 3-months' time, whichever comes first. Note: Once removed from an ongoing schedule, we cannot guarantee or reserve your existing schedule.

This policy is in accordance with our current Attendance Policy and is in place out of respect for our therapists and clients. If you need to cancel or reschedule an appointment, we ask that you notify our office a minimum of 24 hours in advance.

Please note, this policy applies to non-AHCCCS clients only.

Our office reserves the right to release clients for any reason that causes an undue interruption of services. Parent/guardians and caretakers are not to leave the premises during a session. Violation of this policy will result in discharge from Arbor Therapy.
